The Beginning Of A

As the U. S. began a new decade, embroiled in problems including Americans held hostage in Iran and the threat of problems with Russia, FHS seemed a haven of peace, and at least a sometimes-restful place of learning. But we were busy, too! From the cheerleaders keeping spirit high to the Christmas assembly's zaniness, and from the athletes winning it all for FHS to chowing down in the cafeteria, we still managed to get in a lot of learning, all of which will help prepare us to make it on our own. Welcome 1980's — we're ready for more happy memories at FHS.

"Gloria Thorp" tells the Royals "how it is".

Mrs. Walton led FHS students in one of the most involved musicals ever put on as they performed "Damn Yankees" on March 28th and 29th. The musical told the story of an old man who sold his soul to the devil for a chance to help the Kansas City Royals win the pennant and beat those "damn yankees". Pictured below Melissa Miller gives Mrs. Walton a corsage before the first performance.

FHS Hosts Annual Concert

Fredonia's annual Spring concert was held May 6th in the gymnasium. The concert, which is a joint effort of the vocal music and instrumental music departments, was a huge success, as the students' hard work paid off. Many of the songs performed had been worked on all year, and some made it as far as the state music contest. Pictured above is the Fredonia vocal music department at work. Center picture shows the boys' ensemble singing "Bound for Jubilee" and the bottom picture is the entire band under the direction of Mr. George Beggs. Mrs. Emagene Walton was in charge of the vocal numbers.

FHS Boy Tracksters Keep Stingers High!

The Fredonia High School Boys Track squad stayed very busy all season long. Despite the long, hard practices and cancellations due to rain, the Jackets always managed to keep at it and bring home many victories for FHS. They won several meets this year, placed high in others, and finished second by only one point in the Fredonia Relays. Below: M. McInerney, J. Hilyard, P. Sommer, B. Fiscus, B. Wilson, B. Girl Tracksters Are Winners!!

The girls' track team started out strong this year and stayed that way as they won the Eureka Relays and the Fredonia Relays, and placed high in several other meets. The girls were hampered by rain in early practices but the team — 35 strong — hung in during the bad weather and were rewarded by victories.

FHS Junior-Senior Prom

The theme for the 1980 Jr.-Sr. Prom was "The Old West", and it was enjoyed by everyone. The Juniors worked hard on the Prom to make it the great success that it was. The band, "Mirror", which also performed at last year's prom, did a super job.

Golfers "Tee-off" Spring Sports

The High School golf team, under the direction of Coach Odell, had many fine showings this year, including a 4th place finish at Eureka and 3rd place at the Fredonia Inv. Dexter Bloodworth placed 3rd medalist at Eureka and was 2nd medalist at Fredonia. Although two seniors will be leaving the team this year, the Jackets should be looking forward to a strong year in 1981.

Junior Jackets on Their Way

Despite a slow start, due to rainy weather, the junior high track squad had a fine season and gained some valuable experience in preparing for the future. Coach Higgins and Coach Kellogg reported having 39 boys out and girls' coaches Zafuta and Ellis had 35 girls out. Right: Botton, L. to R.: Coach Higgins, G. Smith, E. Bambick, R. Thornton, T. Seniors Finally Make It!

The 1980 Senior Class had an outstanding year, and members of the class were involved in several exciting things that happened at FHS this year. Seniors helped bring home the first place ICJC competition day trophy at Independence; we helped win co-champs, district champs, and sub-state runners-up in football; the girls were second in the TVL and went to state in basketball and were co-champs in volleyball. Seniors also helped out in track, as both the boys' and girls' teams won the league. But athletics wasn't the only thing the seniors helped with. The debate and forensics squads both contained seniors and there were many awards brought home. FHS also boasted three creative writing winners this year, the only national winners from Kansas, and they were all seniors. All in all, it's easy to see that the class of 1980 at Fredonia has a lot to be proud of.

Select Seniors Chosen

The choosing of senior honors was this staff's first project. Actually, the Yellowjacket staff didn't choose the seniors for the honors; the senior class did. Basically, all the staff did was pick the topics for which the seniors were to be nominated and then set a date for the pictures to be taken. All honors were voted upon by the senior class, except Mr. and Miss FHS, which was voted on by the entire student body — high school as well as junior high.

Look Out World!!

The class of 1980 is really proud to say that they have gone through twelve years of great times. They got through the magazine sales last year and their prom was a great success. They are looking forward to the senior week activities including the traditional senior skip day, senior night, and most of all, graduation. The seniors will all go their separate ways after they graduate, so the 1979-80 **Yellowjacket** staff wishes them the best of luck in the years to follow.

FHS's junior class this year (the class of 1981) was kept really busy. Class members were involved in all athletic teams as well as school organizations. And of course, the juniors had the usual magazine sale, but this year they were lucky and had pretty nice weather. The juniors also took care of the plans for the Jr.-Sr. Prom. All in all, it was a great year and a good preparation for their "last year" coming up.

What are you talking about?

No I won't look at it.

Lady Golfers Swing Into Action!

Fredonia's Lady Golfers had a lot of action and a lot of success this year. The two-man team of Lorrie Timmins and Lisa Marr had the most success as they teamed up to win the Council Grove meet and take second at Garnett. The entire team, under the direction of Coach Marilyn Graham took third palce at the Regional tournament. Lisa Marr was also third medalist at regionals. Lisa also brought further honor to FHS when she came in as the ninth best lady golfer in the state.

Yellowjackets Make History

THe Fredonia Yellowjackets, under the leadership of ten seniors won a share of the TVL crown with a 9-2 record. The Jackets made history when they won their first playoff game ever by defeating Andover 22-12. The high school varsity had nine returning players, including two starters, All-TVL players, Diane and Nancy Van Hoozier. The Lady Jackets placed in the first annual Yellowjacket Classic featuring some of the top teams in southeast Kansas. Nancy Van Hoozier and Terri Martin were selected for the ten member All-Tournament team. Fredonia also placed second in league play.

BB Boys Buzz Around Em!!

FHS experienced a rebuilding year in boys basketball this year, after losing four starters from the previous year. In spite of inexperience, and injuries to key players, Coach Odell's Jackets "hung in there" and came up with a winning season. They took the consolation trophy at the Ralph Miller Classic in Chanute, and since FHS was ranked 3rd in the region, Fredonia hosted the first round of the substate tournament.

2. Ricky Matlock, #20 puts the ball up over a Eureka defender

Jeff Streets drove the lane for this short jumper, and other Yellowjackets anticipate the rebound.

For the second year in a row, FHS's Junior Varsity basketball boys were undefeated — this year with a 12 and 0 record. Coach John says they began the year with 14 players but lost two when they had to move up to the varsity team, due to injuries. The JV played more regular season games this year but did not compete in any tourneys. Coach John said, "the team worked together real well; there was a lot of improvement, and it was one of our best years ever."

Spirit's What We're Yelling For!

The Fredonia High School Pep Club, sponsored by Mrs. Haydock, Miss Rooker, Miss Jones, Miss Epler, and Mrs. Ellis, strived to keep up school spirit throughout the year. The cheerleaders learned methods of spreading enthusiasm by attending camp at Eufaula, Oklahoma. The Cheerleaders and Pom Pon squad entertained the crowds at athletic functions by doing cheers and routines. They also led the crowd in spirit raising chants and fight songs with the help of the Pep band.

Band Leads Spirit

The FHS Bands are known for their involvement and activities. Without the band to keep spirit going at athletic events, it just wouldn't be the same. But, the band does much more. This year's activities included marching in the Homecoming Parade, playing in the Neeowallah Parade in Independence, playing for the Annual Christmas Pageant, and taking part in various "involvements" including their skit in the Christmas assembly.

Music Club Does It Again

The Music Club wears many hats at FHS. Members of both band and vocal music classes are club members and Mr. Beggs and Mrs. Walton are kept busy overseeing the annual Christmas pageant, Spring Concert, the Spring Musical, and of course money making concession stands. All funds raised during the year are used for equipment for both the band and music rooms. Below are pictured the Music Club officers: Jeff Streets, Mike Jacobs, Rick McClure, and Dixie Roush.

NFL Members Practice Art Of Persuasion

The National Forensics League, which consists of both Debate and Forensics represented FHS well this year. The debate squad placed at several tournaments, then brought home the third place trophy from Regionals, before competing at State. The Forensics group started out strong in spite of the cancellation of two tourneys due to the bad weather. FHS also held an invitational tournament for the first time in several years.

Reflector Staff "Presses On"

The Reflector staff tries to stay on top of all activities and news going on at FHS. It's sometimes difficult to write up stories and put out a paper while trying to learn the "how-to's" of journalism but the staff found time for other activities also, such as their Christmas assembly skit, shown above.

Good Luck To The Class Of '80

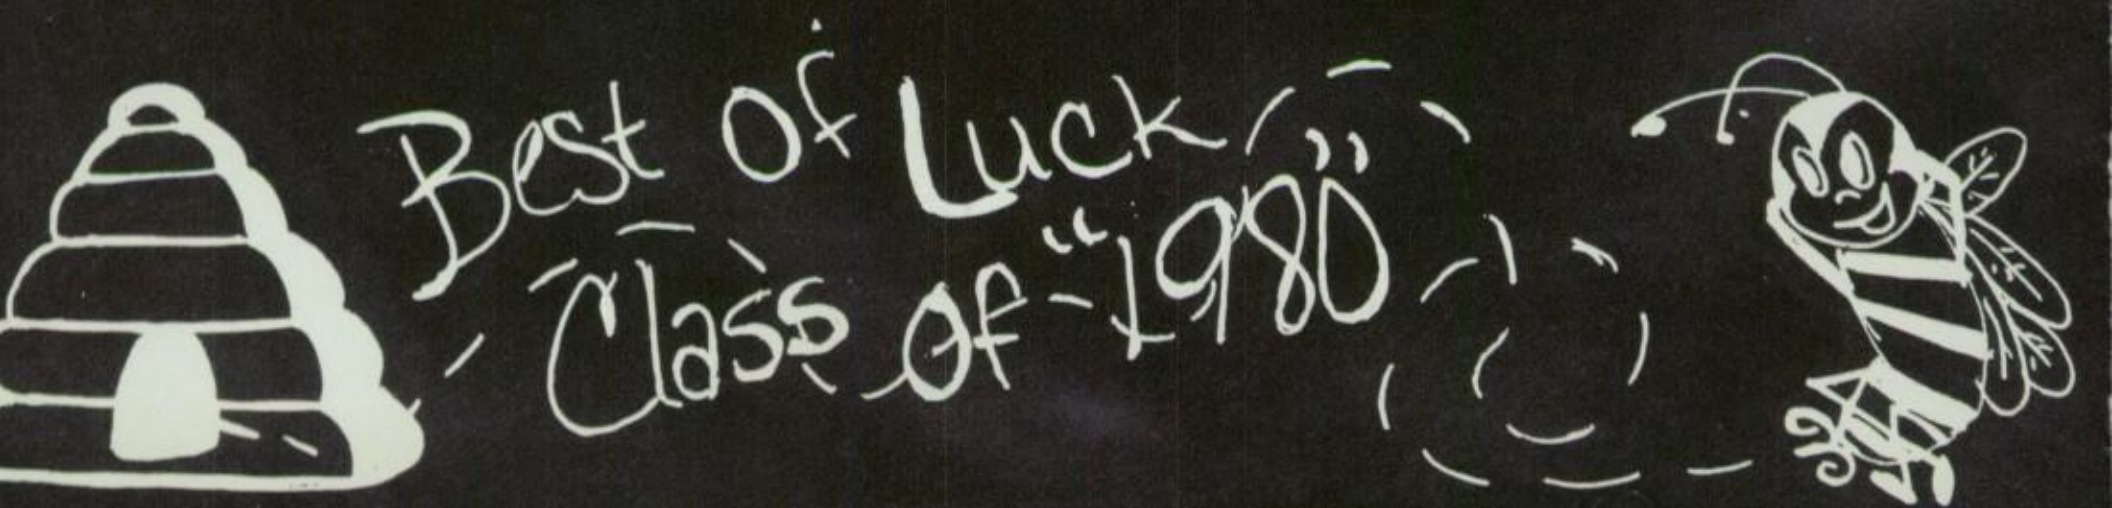
Don't forget the love we shared today,
Sweet memories to keep us warm along the way.
And even though the time has come for us to part,
We'll be together soon, so don't you cry,
Cause we never really say good-bye.



P.S. Don't do anything we would, I'll do it
